HIPPIY Success Story from Clay County

Coordinator, Nakia Street

Mrs. Debbie Houston of Clay County has been a HIPPIY parent for three years. Debbie is the grandmother of 2 of our HIPPIY kids. She has successfully completed the curriculums with her grandchildren and has recruited five families within the community for our program. HIPPIY has

truly been beneficial to her grandchildren plus it has given her more confidence to speak publicly and help other parents to see the true benefit that HIPPIY does work!!! Now her grandson is preparing to enter kindergarten and his ability to follow directions, count and identify objects has improved greatly. Her grandson is at the head of his class.
